OUR ANNUAL

NEW YEAR GIFT SALE

Opens MONDAY MORNING, JANUARY 3rd, at 8:30 and
will continue until SATURDAY NIGHT, JANUARY 29th.

This announcement within itself is almost sufficient to crowd this store with eager customers every day during the sale, for the people of Corvallis know us and the kind of merchandise we carry. They also know that we never make an announcement unless it means something. Every stock in the store will contribute its quota of bargains to this Sale. In fact, no piece or parcel of merchandise will escape the ruthless reductions of the price cutter. To competition, apparently, we will be losing money on this sale, but we know our business well enough to know that 1909 has been a very profitable year to us, and that we can well afford to make you a New Year gift and to close out all goods in their season, whether it be at cost or loss. The store will be transposed into a veritable fairyland of bargains, with counters of bargain lots here and there, and everything will be marked in plain figures, strictly one price to all. At this sale you can well afford to anticipate your wants for months to come, for it will be a great bargain event and an unusual opportunity to save money. Below we quote a number of prices merely as examples of the values you will find when you come to the WOMAN'S SHOP.

New Year Gift
Sale Dress Goods

The styles in wool dress goods have changed but slightly during the past two seasons, and to some it may look like business suicide for us to sell these goods at such price reductions. But when spring comes we want to start right off with the new goods unhampered by fall styles, therefore these reductions:

Lot 1—Old prices 35 to 75c yd
Our prices 25c the yd
Lot 2—Old price 50c to \$1.50
Our prices 42c the yd

New Year Gift
Sale Woman's Underwear

It is possible that you will need garments of this nature between this and the warm days of spring. If so, you can buy them now in any quantity you wish at less than if you were in a position to purchase case lots of the manufacturer.

It means you can save from $\frac{1}{4}$ to $\frac{1}{2}$.

All our clothing will be reduced to the very bottom of price possibility. As we are bound to close it all out, this is an opportunity that you should take advantage of at once.

Odds and Ends in Corsets

We do one of the biggest corset businesses in Corvallis. The consequence is, lines have broken sizes. We have recently given an order to replete this corset stock for spring, and although the goods are staple, we will close out these odds and ends at reductions much lower than the regular price. See the corset counter.

New Year Gift Sale of Domestic

This domestic stock has now several hundred dollars worth of staple goods. It may seem foolish to many for us to reduce prices on merchandise where the style is of but little consideration, but to add interest to this sale we have cut all prices in this domestic department in harmony with the other prices quoted throughout the store.
